PROFILE SUMMARY

Full Stack Developer with 4+ years of experience building scalable web applications using React.js and Python Django. Skilled in AWS deployment, CI/CD automation, and crafting intuitive user interfaces. Proven ability to collaborate effectively with cross-functional teams to deliver impactful software solutions in fast-paced environments.

WORK EXPERIENCE

Developer Analyst – ULTS, Trivandrum , Kerala , India

NOV 2024 – Present

- Engineered e-Government software solutions to improve operational efficiency through automation.
- Architected a secure document management system, reducing retrieval time and manual errors.
- Optimized front-end performance using React.js and ShadCN UI, improving load speed and UX.
- Developed a custom design library for 50+ modules, ensuring UI consistency and reducing dev time.
- Enhanced CI/CD pipeline via GitLab, minimizing merge conflicts and improving deployments.

Senior Software Developer , Sofiyr Solutions Pvt Ltd, Pattambi, Kerala, India

AUG 2023 - SEP 2024

- Led development of an e-learning platform using React.js and Python Django.
- Deployed and hosted the platform on AWS, ensuring scalability and uptime.
- Implemented Razorpay integration for secure, seamless payments.
- Managed full-stack features like course management, user registration, and content delivery.
- Collaborated with UI/UX and backend teams to improve user experience.

Software Developer, Steyp Private Limited, Ernakulam, Kerala, India

SEP 2021 - AUG 2023

- Developed full-stack applications using React.js and Python Django.
- Built admin and user dashboards for improved interaction and navigation.
- Integrated Razorpay for efficient, secure transactions.
- Contributed to both frontend and backend development for company projects.
